Account Setup

Ongage Free trial

If you choose Production ,you will require to do account Setup

The screenshot shows the 'Account Setup wizard' interface. At the top, a green bar contains a 'Close Wizard' button and a message: 'Hello, y! You have 14 days left for your Free Trial!'. Below this is a green header with the text 'Welcome to the Account Setup wizard.' and a sub-header: 'This wizard would allow an easy setup of your ESP and Domains So you can get working right away'. The main content area is divided into three sections: 'Setup ESP', 'Setup Domains', and 'Choose Plan'. Each section contains descriptive text and a blue 'Setup' button. The 'Setup ESP' section mentions selecting from over 40 partners and entering API credentials. The 'Setup Domains' section mentions entering a Tracking Domain and setting up a CNAME. The 'Choose Plan' section mentions selecting a plan and entering credit card details, with a note that the card will not be charged until the trial expires.

Close Wizard Hello, y! You have 14 days left for your Free Trial!

Welcome Welcome to the Account Setup wizard.

Setup ESP This wizard would allow an easy setup of your ESP and Domains
So you can get working right away

Setup Domains

Choose Plan

Setup ESP
Select and connect your own ESP from over 40 partners integrated with Ongage.
You would be required to enter your API credentials.
Detailed explanation on how to setup your ESP can be found in the quick links section.
[Setup](#)

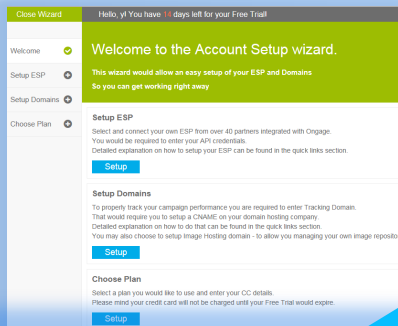

Setup Domains
To properly track your campaign performance you are required to enter Tracking Domain.
That would require you to setup a CNAME on your domain hosting company.
Detailed explanation on how to do that can be found in the quick links section.
You may also choose to setup Image Hosting domain - to allow you managing your own image repository.
[Setup](#)

Choose Plan
Select a plan you would like to use and enter your CC details.
Please mind your credit card will not be charged until your Free Trial would expire.
